SCRC

Southern California Renewal Communities

SCRC Media Ministry

SCRC offers a large selection of spiritual instruction, teachings, insights and shared testimonies by qualified religious and lay speakers on CD, DVD, Tape & MP3. These recordings are designed to offer sources of direction and growth for your personal relationship with Jesus, whether it is at a beginning stage or well on its way.

Because of the backgrounds and topics of our speakers, these teachings have much to offer not only to those familiar with Charismatic Renewal but also Cursillo, Marriage Encounter, Parish Renewal, Bible Studies and other parish groups, in fact, for anyone who desires a deeper relationship with our Lord.

Our goal with SCRC CD's, DVD's, Tapes & MP3's is to make pertinent teaching more accessible and convenient.

Sharing In The Dynamics Of The Living Proclamation Of the Gospel

The power of the *spoken* word has been recognized for centuries. The richness and value of books is immense, yet when we pick up a literary work we can many times miss certain nuances and areas of emphasis that the author had in mind when writing it.

Through the living spoken proclamation we share in the dynamics, excitement and even the subtle "whispers" of the speaker conveying Christ's message of love, compassion and hope.

The Gospel is a living word and through CD's, DVD's, Tapes & MP3's we are moved one step closer to encountering God in our human experience.

Only Two Words Are Needed
To Describe What You Should Expect
From SCRC Recordings. . .
Jesus Christ!

As a Catholic Media ministry, SCRC makes every effort to take its responsibilities seriously. We offer only that which is rooted in the solid foundations of Scripture and Tradition--timeless teaching gleaned from 2000 years of the Church's experience and understanding of the risen Christ's presence. Consequently, we can provide a diverse selection of recordings on spirituality while at the same time being assured that the same Spirit that Jesus sent His apostles to guide and protect His Church for all time, will also bring the wide variety of teaching together into a unified whole.

Quality Service With A Guarantee

To record and preserve the teachings, SCRC uses some of the finest recording and duplication equipment available. All of our recordings are second-generation copies. This means that each CD, DVD, Tape & MP3 is recorded directly from the original recording in order to insure a "clean" copy of the talk.

Should you have any questions regarding the availability of specific spiritual teaching on CD, DVD, Tape & MP3 and their level of teaching--basic, intermediate or advanced--please contact us. We are here to serve. Your patronage helps support Catholic Renewal.

Southern California Renewal Communities

**Throughout the world
Christians are rediscovering the power of Pentecost!
Recent Popes have acclaimed this movement of the Spirit,
known as the Catholic charismatic renewal.**

**SCRC is a multifaceted ministry officially commissioned
by the Los Angeles Archdiocese to serve the charismatic renewal.**

Southern California History

Mustard seed growth! This describes what has happened with the Catholic Charismatic Renewal since its inception in Southern California. During the late 1960's a small sprinkling of pentecostal Catholics were gathering for prayer meetings within various homes.

Kevin Ranaghan visited Los Angeles in late 1970, giving a public presentation at Loyola University about the modern day movement of the Spirit. In response to Kevin's talk, a small number of students formed a prayer group on campus. A popular teacher, the late Fr. Ralph Tichenor, S.J. was appointed spiritual director of the new tiny prayer group by the University's President. Fr. Tichenor reluctantly accepted the role only on the condition that he would not have to attend prayer meetings!

In early 1971, Fr. Tichenor *did* attend a prayer meeting and experienced the Baptism of the Holy Spirit! In two years the Loyola prayer group swelled to over 1,000 people. Fr. Tichenor would often exhort the people to take this grace of the Spirit back to their parishes. During this same period the Los Angeles Archdiocesan Priest's Senate successfully petitioned Cardinal Timothy Manning to open parish facilities to the Charismatic prayer groups.

Southern California Renewal Communities (SCRC) was established in 1972 as a legal non-profit religious organization to serve this burgeoning Renewal. An SCRC Service Center was opened in 1973 and continues through today to provide teaching, communication and guidance in bringing Charismatic Renewal into the heart of the Church. The annual SCRC Catholic Renewal Convention has grown to become the largest gathering of its kind in North America!

***“ There are different kinds of spiritual gifts but the same Spirit;
there are different forms of service but the same Lord;
there are different workings but the same God who produces all of them in everyone.
To each individual the manifestation of the Spirit is given for some benefit.”***

1Corinthians 12:4-7

**Help us to bring the Good News of Jesus Christ
and the transforming power of the Holy Spirit to those in need!**

In addition to the annual Renewal Convention, SCRC provides a spring conference, a yearly retreat, teachings in parishes throughout Southern California, support for parish prayer groups, a CD, DVD, Tape, MP3 and book ministry, and other outreaches.

**This ministry is completely self-supporting and is not financially subsidized
by any diocese, church or institution.**
